Short Bio: Linda Dement is a Sydney based artist who has been working with arts computing since 1989. She has authored screen based interactive, multi-computer installations and collaborated in translocal and performative new media events. Her work has been widely exhibited internationally and locally, including at the Institute of Contemporary Art in London, Ars Electronica in Austria, the International Symposia of Electronic Art and the Impakt Media Arts Festival in Europe. She is twice winner of the Australian National Digital Art Award (the Harries) and has been awarded a New Media Arts Fellowship by the Australia Council for the Arts.
