

Patrick Meyer (Dimossios Ergasia) was born in 1956 in Strasbourg, France. Pseudonyms are a significant part of his artist work and Dimossios Ergasia is one of them. He organizes events that operate like minute events all over the world in specific places. Photo stickers are one of the basic elements in his work which they function as self adhesive poems or pictures. He has participated in various solo and group exhibitions in France, Romania, Greece, Turkey, Bulgaria and Serbia.
